UNINTERRUPTED LEARNING

When the Covid-19 pandemic outbreak forced schools and colleges to shut down in March 2020, the teaching staff and the management of Kingston Educational Institute turned the seemingly difficult challenges into opportunities by using their expertise in integrating technology in the teaching-learning process. They used a wide array of digital tools such as Microsoft Teams to introduce an innovative online learning solution for all classes.

PLACEMENT AND INTERNSHIPS

Kingston School of Management and Science has a well-structured training and placement cell that provides 100% training and placement assistance to the students who are successfully pursuing the course. The Training & Placement Department of KEI has tie-up with several organizations and companies for training and placement purposes. The students are well settled in different health sectors including Ruby State General Hospital, Sanjeevani, Apollo, Bellevue, Desun, OHIO, Narayana and many more.
