LABORATORY AND PRACTICAL TRAINING

Kingston General Hospital

Practical classes in different well equipped paramedical laboratories create myriad skills for students. Kingston Educational Institute imparts in-house practical training to paramedical students at Kingston General Hospital. Regular experimental classes thus help students to acquire dynamic knowledge and coherent skills for a firm scientific ground.

TRAINING AND PLACEMENT

Students are groomed through various technical & non-technical training, group discussions, workshops, seminars, soft skills and personality development programmes to make them market ready. In this process strength & weakness of each and every student are brought into limelight so that they are rectified in due course. Our Dept. @ KEI has tie-up with several Organizations for Training and placement purposes.
